her determination or the determination of any of his or her designated officers who have authority to issue Notifications of Results of Investigation.

(2) The Director will review all determinations of no violation that involve complaints that are not also cognizable under title I of the Americans with Disabilities Act.

(3) In cases where the Director decides to reconsider the determination of a Notification of Results of Investigation, the Director shall provide prompt notification of his or her intent to reconsider, which is effective upon issuance, and his or her final determination after reconsideration to the person claiming to be aggrieved, the person making the complaint on behalf of such person, if any, and the contractor.

(4) If the investigation finds a violation of the act or this part, OFCCP shall invite the contractor to participate in conciliation discussions pursuant to § 60-741.62.

§ 60-741.62 Conciliation agreements.

(a) If a compliance evaluation, complaint investigation, or other review by OFCCP finds a material violation of the act or this part, and if the contractor is willing to correct the violations and/or deficiencies, and if OFCCP determines that settlement on that basis (rather than referral for consideration of formal enforcement) is appropriate, a written conciliation agreement will be required. The agreement shall provide for such remedial action as may be necessary to correct the violations and/or deficiencies noted, including, where appropriate (but not necessarily limited to) such make whole remedies as back pay and retroactive seniority. The agreement shall also specify the time period for completion of the remedial action; the period shall be no longer than the minimum period necessary to complete the action.

(b) *Remedial benchmarks.* The remedial action referenced in paragraph (a) of this section may include the establishment of benchmarks for the contractor's outreach, recruitment, hiring, or other employment activities. The purpose of such benchmarks is to create a quantifiable method by which the

contractor's progress in correcting identified violations and/or deficiencies can be measured.

§ 60-741.63 Violations of conciliation agreements.

(a) When OFCCP believes that a conciliation agreement has been violated, the following procedures are applicable:

(1) A written notice shall be sent to the contractor setting forth the violation alleged and summarizing the supporting evidence. The contractor shall have 15 days from receipt of the notice to respond, except in those cases in which OFCCP asserts that such a delay would result in irreparable injury to the employment rights of affected employees or applicants.

(2) During the 15-day period the contractor may demonstrate in writing that it has not violated its commitments.

(b) In those cases in which OFCCP asserts that a delay would result in irreparable injury to the employment rights of affected employees or applicants, enforcement proceedings may be initiated immediately without proceeding through any other requirement contained in this chapter.

(c) In any proceedings involving an alleged violation of a conciliation agreement, OFCCP may seek enforcement of the agreement itself and shall not be required to present proof of the underlying violations resolved by the agreement.

§ 60-741.64 Show cause notices.

When the Director has reasonable cause to believe that the contractor has violated the act or this part, he or she may issue a notice requiring the contractor to show cause, within 30 days, why monitoring, enforcement proceedings, or other appropriate action to ensure compliance should not be instituted. The issuance of such a notice is not a prerequisite to instituting enforcement proceedings (see § 60-741.65).

§ 60-741.65 Enforcement proceedings.

(a) *General.* (1) If a compliance evaluation, complaint investigation, or
